

**FAASTeam & Potomac TRACON presents:**

# **Potomac TRACON Operation Raincheck AM Session**

The Potomac Terminal Radar Approach Control (TRACON) is hosting a modified Operation Raincheck event. Attend a briefing about ATC operations in the DC metro area, ask questions to FAA management, controllers, Flight Standards (FSDO), flight service and security elements. Observe ATC traffic simulations and take a brief tour of the 4th busiest approach control facility in the United States.

Event is open to pilots and their guests. Children are welcome but should be old enough and interested enough to make it a meaningful experience. **ALL PILOTS AND GUESTS MUST BE U.S. CITIZENS** and have government issued photo identification (except children).

**REGISTRATION REQUIRED:** All pilots and their guests must be registered. Walk-ups will be turned away.

Demand for this event will exceed capacity. If you remain registered and do not attend you will be taking a seat away from someone else. If you become aware that you or any of your guests will not be able to attend, please re-visit this web page and cancel the registration of you and/or your guest(s). If this event shows full please
